

DUATS FY 2010 – 2013 TIP Amendment, December 2009

On December 18th, 2009, the Policy Committee approved adding Decatur's Safe Routes to School infrastructure project to the FY 2010 – 2013 TIP. This project entails installing approximately 8,070 square feet of sidewalks and ramps along Martin Luther King Jr. Drive, West Garfield, East Garfield and North Jasper Streets and along Railroad Avenue from the Garfield overpass to Elmhurst Street.

This amendment has the following breakdown of funding sources for the project:

- Safe Routes to School Funding = \$44,385.00*
- 10% Contingency of the Est. Cost = \$ 4,438.50*
- Estimated Total Project Cost = \$48,823.50*
