APPLICATION – SIDEWALK CAFÉ LICENSE

Please fill in all requested information. In addition, attach a scaled drawing of the existing sidewalk area from the side of the building extending to the street curb line and adjacent private property detailing the proposed location, size, and number of tables and chairs, fencing, or any other items to be part of the cafe. The drawing should detail the location of trees, fire hydrants, utility poles, street light poles, parking meters, bus shelters, trash receptacles and any other sidewalk obstructions or other permanent street fixtures, either existing or proposed, within the pedestrian area. The depiction of buildings should include any doors leading from the eating establishment or abutting buildings. The drawing should clearly detail the number of feet and location of unobstructed space permitting free passage of pedestrian traffic around and through the outdoor cafe. This scale drawing will be incorporated as an attachment to the actual license agreement.
